

HOW TO PROCEED

To purchase a full burial or cremation grave, please call the cemetery office at (716) 285-7467 to make an appointment.

To purchase a columbarium niche, you can call the cemetery or the Divine Mercy Office at (716) 284-6641. A packet of information about the Divine Mercy Columbarium niche can be mailed for your review.

Cemetery purchase contracts will be completed once you make your choice.

PRE-PLANNING

Take the worry and burden from your family by pre-planning your burial option. You can be assured that your wishes will be followed and your family will be spared the stress of decision making at a sad moment. The Holy Trinity Cemetery Office can assist with grave selection and all options.

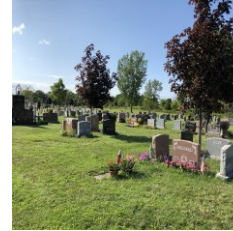

Pre-need arrangements and burial packages are available at a discount to active parishioners of Divine Mercy and St. Mary's parishes.

Pre-need arrangements can be financed at 0% interest

In partnership with the Cooperative Funeral Fund pre-need arrangements can be paid over time so that when the time comes your family is protected from the expense and worry of your burial arrangements. A 20% deposit at time of contract signing will be required and at the time of burial full payment must be received.

BURIAL OPTIONS

Full Body In-ground Interment

A grave may have one full body and up to two cremated remains. Pet cremains are also allowed at time of the owner's burial. Flat or Slant markers can be purchased with the grave.

Cremation Garden Inurnment

In-ground cremation plots are available in our cremation garden. Options exist to purchase a burial package that includes the grave marker. Flat or Slant markers are available for this section.

Columbarium Inurnment

The Divine Mercy Columbarium is the solution for above ground inurnment of cremated remains. Niches are available that include space for two urns holding cremated remains. The maximum urn height is 11 inches.
